

Your Kitchen or Bath Can Be a Showplace

Tyler bath & kitchen showrooms have everything you need to turn your home into an elegant expression of your personal style. You'll find bath and kitchen fixtures at Tyler bath & kitchen showrooms that reflect your style in a fabulous way.

Tyler bath & kitchen experts suggest that you select your fixtures and hardware early on in your renovation project planning stages. Bring your plans and any magazines with photos and ideas, along with countertop and flooring samples, to your [Tyler bath & kitchen](#) showroom representative at your first visit. Preparation will make product selection go so much easier.

Your houseguests will want to linger longer in the luxurious surroundings of a kitchen or bathroom furnished with the strikingly attractive faucets and coordinating accessories available at Tyler bath & kitchen showrooms. Grace and sleek sophistication can be the hallmarks of your bath and kitchen with the right faucet and sink combination, but faucets and sinks are not the only products available at your Tyler bath & kitchen showroom. Customers can choose from any number of shower and tub inserts for the bath, even a special shower that contains its own tanning light! It uses a balanced UV light spectrum that resembles sunlight and tans your skin while you wash. Imagine that!

Tyler bath & kitchen showrooms offer even more than faucets, sinks and shower stalls. Have you ever wished for a whirlpool tub to soak your aches away at the end of a long day? You're sure to find just what you're looking for. Luxury is yours! You should also investigate the selection of lighting fixtures that a Tyler bath & kitchen showroom has on offer, since just the right lighting will set the mood of your brand new kitchen or bath. Mirrors, hardware, furniture and accessories, it's all there for you to choose from.

You are limited only by your imagination when you renovate. Tyler bath & kitchen showrooms can help you turn your vision into reality. Take your time. Look around. You may find an accessory or a fixture that strikes your fancy more than the one in that magazine photo you brought with you. Hardware comes in modern, traditional, Oriental, Native American or Art Deco styles, among others. Which style do you like? You'll have no trouble finding the right hardware and accessories to add the perfect finishing touch to your project. Walking through a Tyler bath & kitchen showroom can be like walking through an art gallery!
